The Statewide Financial System (SFS) Program is pleased to announce that Robert Barbato has been appointed to the SFS Joint Governance Board (JGB) by Director of the Budget, Robert Mujica.

Bob serves as Unit Chief for Public Protection & General Government for the Division of the Budget, a role that encompasses budgeting and fiscal policy for the enterprise services and technology functions of State government. As a member of the JGB, he will work closely with Executive Deputy Comptroller for Operations John Traylor of the Office of the State Comptroller to provide strategic direction to the SFS Program.

Prior to this appointment, Bob held a number of senior leadership roles, including business lead during the procurement and development phases leading up to the implementation of the SFS program. He also served as Director of the Office of Interoperable & Emergency Communications with the NYS Division of Homeland Security and Emergency Services.

Bob replaces Dominic Colafati, whose sponsorship and guidance supported implementation of the Enterprise Enhancement, Phase 1 (EE1) project and helped establish a strategic roadmap of future priorities for SFS. We thank Dom for his many contributions during the past two years.
